Date of Exercise: *June 10th, 2013***Type of Exercise (check box):**

- Fire Drill
- Tornado Drill
- Injury Drill
- Intruder Drill
- Other Drill (specify type) _____
- Tabletop Exercise of *leaking slip tank in parking lot*

Time Exercise Initiated: *9 am***Time 100% Accountability Achieved:** *9:15 am***Special Challenges Presented (i.e. route blocked, etc.):** *n/a***Scenario:**

Front desk receives word from a 'concerned student' that they observed a truck in our parking lot leaking diesel fuel from their slip tank.

Lessons Learned:

- Reception and office manager didn't know who to call. Negative.*
- They guessed right and called the shop where they do have access to spill kits and the proper PPE to contain the spill. Positive.*
- Shop supervisor knew to initiate call to 911. Positive.*
- Spill was understood to be too small to contact AB Environment. Positive.*

Attendance:*Front Desk – Jane D.,**Office Manager – Melissa T.**Shop Supervisor – Ringo S.,**Shop Labourer – Paul M.**Safety Coordinator – Travis T.*
